

# WEAVING

Weaving the Future, Celebrating the Past.

**CASA DAS PENHAS DOURADAS**

## **New Year's Eve Program 2024-2025**

Serra da Estrela, imposing and mysterious, stands like a guardian of cliffs and big boulders. On its slopes, shepherds move with the wisdom they have inherited from the land. The flocks that graze there produce the fine wool, woven into burel in the stone villages since time immemorial... between looms, ways and mannerisms of artisans, weavers and spinners to create an art that was born out of the cold and solitude of the great mountains.

This year's theme, Weaving, is a toast to the heritage of Serra da Estrela's wool art. Throughout the program, you'll enjoy carefully selected experiences that combine comfort with gourmet moments, the serenity of nature with joy, wool, art and mountain.

Join us in this weaving of future memories!
